Exclusive 5G offers – available in select areas, subject to coverage map check and dependent on 5G connectivity. 5G free-to-use router models may vary.

Terms and Conditions apply. All new contract deals are subject to a once-off in-store SIM and connection fee of R150. The MTN Business 5G FWA promotion will be available 07/04/2026 – 07/06/2026. To qualify for the 5G promotion, the customer's permanent physical address must be within the fixed 5G coverage area, which can be checked on the MTN coverage map. The 5G bonus data (100GB or 300GB) will be loaded on the first of each month for a maximum period of 12 months, which will be depleted first and will not carry over. **5G speeds are based on a best-effort service. The 5G bonus data will only work within the 5G network coverage area and will be depleted (used) on the 5G network. Access and connectivity to the network through the router are limited to the customer's physical address and geographic location ("geo-locked") provided during the coverage and capacity check. A Fair Usage Policy (FUP) applies. Once the FUP limit has been reached, speeds will be reduced to 512Kbps. For full Terms and Conditions, visit mtn.co.za/business. E&OE.

Terms and Conditions apply. Offers valid 06/03/2026 – 07/06/2026. The promotion is available exclusively to MTN Business customers ordering Business Uncapped Wireless (BUW) services. The promotion applies only to the 100Mbps and 50Mbps BUW service plans and is valid strictly on 24-month contract terms. To qualify for the promotional pricing, all customer orders must be submitted, approved, and successfully processed within the promotion period. The promotion is strictly subject to feasibility and network coverage availability. Any order that does not meet MTN's feasibility or coverage requirements will be deemed ineligible for the promotion. For full Terms and Conditions, visit mtn.co.za/business. E&OE.
